# ERP (Enterprise Resource Planning) Document

**Student Admission & Support Services:**

Degloor College, Degloor has adopted cloud-based ERP College Management System (Mastersoft Cloud) from the academic year 2018-19. Due to this software, there is ease for students to get the documents which save the time.

The college management system is a cloud based educational ERP software that enables institute to manage online admission, online fees payment, online fees, grades, assignments, library books. It can also generate online students related documents such as bonafides, Admission Register, Transfer Certificates, Migration TC, etc.

**Accounts:**

Centralized Campus Management System is a cloud-based ERP system useful for maintaining any number of Accounts (Cash books). Integrated with Fees and Payroll modules. Minimize Account section work such as Vouchers, Ledgers, Balance Sheet, Receipt & Payment, Income & Expenditure statements, Schedules, Generate Receipts. Make Payment & JV entries. Print Cheques. Bank Reconciliation.
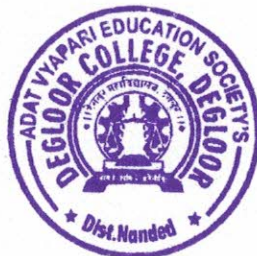

**Library:**

We have e-Granthalaya is college library which is a Digital Platform developed by National Informatics Centre, Ministry of Electronics and Information Technology, Government of India for Automation and Networking of Government & Semi-government Libraries.

**Website: www.degloorcollege.in**

In the era of information and technology and the age of digitalization college website plays significant role in displaying the information about the college to the world. In this regard our college website is fully functional and student friendly.
