Report on teachers undergoing Faculty Development Programmes
During the Academic Year 2016-17 to 2020-21**

The IQAC of the College, is functional and plays significant role in sensitizing teaching faculty for the further development of the teaching faculty.

As per the perspective plan of the college, IQAC keeps insisting the teaching faculties to upgrade and update by completing various training programmes such as OC/RC/STC/FDP. As result of these during the last five years there is significant growth in participation of faculty development programmes in our college.
