Enriched and updated the syllabus of the Public Administration through active participation in the Board of Studies at SRTMU, Nanded and also worked as a Chief Editor for the 32 syllabus books of the Public Administration at YCMOU, Nashik. Actively worked on the State Level Higher Secondary Education Syllabus Committee and introduced the subject Public Administration for the first time at Higher Secondary Education level with the contribution of the four chapters in the syllabus of the Higher Secondary Education.

Devotional teaching with the innovative and practical teaching methods at Degloor College resulted into the bright success of students at UG and PG level with highest ranking and Gold Medal in the university examination. Taken hard and sincere efforts for inculcating the moral values and the culture of hardworking among the college students through active participation in NSS. Developed the Best Practice “Rajarshi Shahu Maharaj Dattak Yojana” for the welfare of the economically backward students.

Successfully performed the role in the overall development of the college with active participation in the various college level committees and responsibilities. Created awareness about the importance of voting at the ten polling booths of Degloor- Billoli Assembly which were having the lowest percentage of voting. Performed the social responsibilities by providing medical facilities to the poor and needy people of the Degloor city with active participation as a Co-Secretary of Rugna Seva Mandal. Created awareness about Rain Water Harvesting among the peoples of Degloor city with successful recharge of more than 62 tube wells.

Additionally I have also organized study visits of students to various public and administrative offices. I played an active role in organizing various guest lectures in my college to enrich and empower the students. With the help of my Colleagues I have tried to generate awareness about the present pandemic COVID-19 among the people of Degloor by distributing protective masks and food.
